**RIDING TIME**—great opportunity to get out and about before shows, have fun riding with friends in a new environment. Riding will be supervised by Niki.

**EDUCATION TIME**— Horse/Pony Wellness & Training Journals: These journals will hold important information regarding our animals well being such as: vaccine schedule, deworming schedule, farrier schedule, other vet treatments, any supplements/vitamins, nutrition information. The second aspect of these journals will be riding and/or showing goals. We will have a section that we can make notes on riding and lessons notes—checking in on our goals!
